

EXTENDED DAY PROGRAM

The extended day class will include a variety of different themes and hands-on activities to keep the children engaged, such as music and movement, science experiments, and nature exploring in addition to building on their language arts, science, and math skills. This is a great opportunity to get students ready for a full day of kindergarten!

*Classes will be offered Tuesday, Wednesday, and Thursday afternoons (contingent upon enrollment numbers) from 11:30 am to 2:30 pm for 4 and 5-year-old students enrolled in our AM classes. The extended day will include an hour of Lunch Bunch in which you would provide a packed lunch for your child.

Class runs from September to April for a total of 20 weeks.

We have several payment options for you to choose from:

*6 payments of \$80.00 can be made each month (Oct.-March)

*1 payment of \$480 in September

Payment Information is based on one class per week
